Welcome Message

Dear Esteem Colleagues,

On behalf of the Organizing Committee of 15th Asia Pacific Conference on Disaster Medicine (APCDM 2024), it is our great pleasure to extend a warm welcome to all the participants of the 15th Asia Pacific Conference on Disaster Medicine (APCDM 2024), which will be held from November 25 to 26, 2024 at The-K Hotel in Seoul, Korea.

Recently, the Asia-Pacific region has experienced various emergency and disaster situations. The Asia-Pacific region has a variety of disasters in common, and it is time to promote disaster medicine and ensure cooperation with neighboring fields such as firefighting and nursing.

We believe that APCDM 2024 will not only provide a forum for academic exchange on the latest advances in disaster medicine, but also build a disaster medicine research network and establish a disaster medicine cooperation system in the Asia-Pacific region.

We eagerly anticipate your participation in APCDM 2024 and look forward to welcoming you to Seoul, where together we can deepen our academic and clinical understanding, forge new connections, and continue to shape the future of disaster medicine.

We look forward to seeing you in Seoul.
